

Wayne County

Route FF Bridge over Rings Creek

Details: The proposed Route FF bridge project will replace the existing bridge with a new, wider concrete bridge. The roadway improvements will be limited to the immediate area of the bridge as required to transition to the new structure.

Timeline: Construction of the Route FF bridge could begin as early as spring 2023, with completion anticipated by fall 2023. The project could be accelerated by one year if additional funding becomes available.

Traffic Impacts: As work is underway, the roadway will be closed in the vicinity of the bridge for approximately three months.

Contact Us: For more information regarding the scheduled construction project, please contact Project Manager Pete Berry at (417) 469-6242 or Area Engineer David Wyman at (573) 472-9021.
