

# Route 63 over BNSF Railroad near Brandsville, Missouri

## TIMELINE

Construction of the Route 63 bridge over the BNSF railroad could begin as early as spring 2023, with completion anticipated by the end of 2023.

## TRAFFIC IMPACTS

Traffic will continue to use the existing structure during construction. The new bridge will be built on a new alignment. As the new bridge is tied into the existing pavement, flaggers or temporary signals will be present to guide traffic through the work zone.
