

# MISSISSIPPI COUNTY

## Project Description

This project will include replacing the Route C bridge over Lateral Ditch #4 in Mississippi County with a box culvert. The structure is located .3 miles west of Route 105.

## Timeline

The project is in the November 2014 letting, with work expected to begin by early summer 2015. Construction will be underway for approximately three months.

## Traffic Impacts

Route C will remain closed in the vicinity of the bridge as construction is underway.
