

ROUTE N BRIDGE DECK REPLACEMENT

Crawford County

Meramec River

PROJECT HIGHLIGHTS

Type of work: Bridge deck replacement.

Construction expected: 2027.

Traffic impacts: Building the new bridge will require closing the road; a signed detour will direct motorists to use Route J, Route C, Interstate 44, and Missouri Route 185.

Estimated cost: \$1.4 million, including right-of-way acquisition, engineering, and construction costs. Subject to change.

PROJECT DETAILS

Why is this work needed?

The Crawford County Route N bridge over Meramec River, southeast of Bourbon, is slated for deck replacement in 2027. Built in 1972, the supporting structures are in good condition, but the deck is in need of replacement.

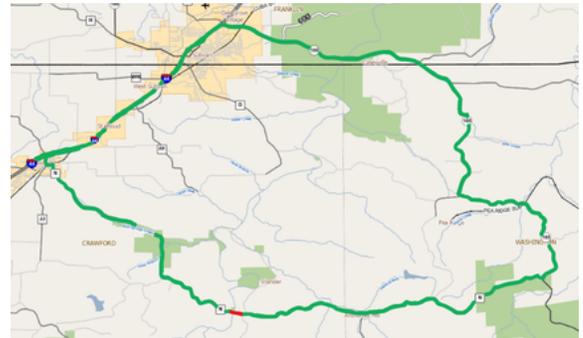

Proposed improvements

- Replacing current railings with new barriers.
- Installing new guardrail, pavement marking, and approach pavement.

Traffic Impacts

Construction is expected to take place in 2027 and is expected to take approximately three months, subject to change.

Construction of a new bridge will require a full roadway closure. A signed detour will direct motorists to use Route J, Route C, Interstate 44, and Missouri Route 185.

Current Proposed Timeline

- **Dec. 2026:** Contractors submit competitive bids.
- **Jan. 2027:** Missouri Highways and Transportation Commission may award contract.
- **Feb. 2027:** If awarded in January, earliest contractor may begin work.
- **Dec. 2027:** Anticipated project completion. Subject to change.
