Missouri Skill Performance Evaluation Certificates

For Intrastate Drivers

Missouri allows individuals to apply for a Skill Performance Evaluation certificate if they are not physically qualified to drive commercial motor vehicles intrastate because of one or more of the following conditions:

- Limb amputation/Limb impairment
- Vision impairment
- Hearing impairment

If the application is approved, the driver is authorized to haul in intrastate commerce - that is, the vehicle and its load must originate and end within Missouri's borders only.

Is the Missouri SPE certificate the same as the federal SPE certificate?

No. The Missouri certificate qualifies drivers to operate only within Missouri's borders.

The federal SPE certificate program is for interstate drivers and applies only to limb-impaired and amputee drivers. Drivers with a vision or hearing impairment can apply for a federal medical exemption to operate interstate.

Can I apply for an SPE certificate on my own or do I need a sponsor?

Applications can be filed by an individual driver or jointly by the driver and a sponsoring employer.

What is involved in the SPE process?

Applicants must complete an application and provide required documents. In limb-impaired/amputation cases, a skill evaluation must be performed.

I already have a federal SPE certificate or medical exemption. Now I want to drive in Missouri only. Can I?

You must apply for a Missouri SPE certificate, but some application requirements can be waived if your federal certificate or exemption is still valid.

How long does the Missouri SPE certificate application process take?

Once your completed application is received, the process is normally complete within six months. However, the process could take longer if any application details or documents are missing or if scheduling issues delay a skill evaluation (when applicable).

What supporting documents are required with the application?

The documents needed vary with each disabling condition. If you are not physically qualified because of two or more of the conditions listed above, submit the required documentation relating to each condition.

Most forms are available for download at www.modot.org/mcs on the Safety & Compliance page. Be certain to include forms provided by other agencies, such as a motor vehicle driving record or a federal SPE certificate. See the next page for a list of required supporting documents.

NOTE: MoDOT is neither responsible for selecting the medical specialist(s) needed to complete the application, providing the vehicle for a skill evaluation or for any expenses incurred. These are the applicant's responsibility.

ALL APPLICATIONS

The following documents must be completed and submitted with every application for a SPE Certificate:

- ☑ Statement of Treating Physician (SPEC-B FORM)
- ☑ Waiver of Privacy Regarding Personal Health Information (SPEC-C FORM)
- ☑ HIPAA Compliant Authorization for Release of Information
- ☑ Physical Examination Form and Medical Examiner's Certificate Form
- ☑ Road Test and Road Test Certification Form. A motor carrier or a person who is competent to administer the test and evaluate its results must administer the road test.
- ☑ Driver Employment Application Form. This form is provided for your use if you do not have a copy of the last one you completed for your last employer.
- A copy of your state motor vehicle driving record (MVR) for the past 3 years from each state in which you held a driver's license or permit. *Available through the Missouri Department of Revenue.
- A copy of your interstate SPE certificate, exemption or waiver of certain physical defects issued by FMCSA or the individual state(s), if applicable. *Available from the FMCSA and/or other states.

LIMB IMPAIRMENT OR AMPUTATION FORMS

A board-certified or board-eligible orthopedic surgeon, doctor of physical medicine or physiatrist must complete the Medical Evaluation Summary. Although you may choose any qualified medical specialist, we recommend that you go to a physical rehabilitation facility for this examination. These facilities and their personnel generally have more experience in evaluating the amputee or a limb-impaired individual.

- ☑ Application for Skill Performance Evaluation Certificate to Operate Intrastate Commercial Motor Vehicles (Applicant with Limb Impairment or Amputation) (SPEC-1 FORM)
- ✓ Medical Evaluation summary (SPEC-A FORM) (Limb Impairment or Amputation only)

VISION IMPAIRMENT

- Application for Skill Performance Evaluation (SPE) Certificate to Operate Intrastate Commercial Motor Vehicles (Applicant with Impaired Vision) (SPEC-2 FORM)
- ☑ Optometrist/Ophthalmologist Certification (SPEC-D FORM)
- ☑ Affidavit of Driving Experience (SPEC-E FORM)

HEARING IMPAIRMENT

- Application for Skill Performance Evaluation (SPE) Certificate to Operate Intrastate Commercial Motor Vehicles (Applicant with Impaired Hearing) (SPEC-4 FORM)
- ✓ Audiologist/Otolaryngologist (ENT) Certification (SPEC-H FORM)
- ☑ Affidavit of Driving Experience (SPEC-E FORM)
