

Internal Job Opportunity Announcement

Improve I-70 Design Lead

The Missouri Department of Transportation is seeking a Design Lead for the development and administration of the statewide Improve I-70 Program. This program includes the planning, design, construction, reconstruction, rehabilitation, and repair of three lanes in each direction on approximately 200 miles of I-70.

The Design Lead will provide highway design expertise through project core team participation. Expected duties include overseeing quality assurance and quality control for program design activities, monitors design plan production to maintain letting schedule, reviews conceptual, preliminary, right of way and final plans for accuracy and consistency. The Design Lead has direct responsibility for the success of the program and supervises staff assigned to the MoDOT Program Team along with owner engineer consultant activities.

Requirements to be Considered

- Bachelor's Degree: Civil Engineering from an ABET-accredited college or university curriculum.
- Licensed as a Professional Engineer in the State of Missouri.
- Nine years of progressive experience in highway or transportation engineering.
- Submission of supporting letter detailing your work history related to:
 - Development of programs &/or projects
 - Public involvement
 - Leadership qualities
 - Experience with innovative contracting
 - Why you are interested
 - Why you are the right choice

Required Employee Qualities

- Excellent communication skills, including public presentations
- Adept facilitator with ability to build and maintain relationships with internal and external team members
- Effective communicator with internal and external partners
- Knowledge and understanding of engineering processes and standards
- Strong leadership and negotiation skills with ability to keep program progressing
- Innovative contracting

- Ability to maintain confidentiality
- Ability to drive results from all the team through the duration of the program
- Efficiently and effectively manage the owner consultant for program needs
- Willingness to develop these qualities in self and team

The best candidate for the position will be selected based on the position requirements and desired qualities listed above.

Salary, Location, and Time Commitment

- Starting annual salary while in this position is \$112,730.16.
- Work location: minimum of three days per week will be located in central Missouri.
- Relocation assistance will be provided.
- Requested commitment for successful candidate is five to seven years.
- Successful candidate will begin this role immediately.

Instructions to be Considered

Employees interested in this challenging assignment must submit via email a letter of interest, including addressing the application requirements above, to Stacy Kaiser, Senior Human Resources Specialist (stacy.kaiser@modot.mo.gov), by 11:59 pm on June 9, 2023.

MoDOT is an equal opportunity employer.

We celebrate diversity and are committed to creating an inclusive environment for all employees.
