General Summary

The intermediate benefits specialist performs varied and moderately complex activities in the areas of principal benefits offered by the department. Responsibilities are performed under moderate supervision.

Minimum/Required Qualifications

- Bachelor's Degree: Business Administration, Finance, Marketing, or related field, **AND** two years of experience in positions related to business, marketing, or benefits administration,
- OR
- Six years of experience in positions related to business, marketing, or benefits administration.

Special Working Conditions/Job Characteristics

- Job requires occasional, statewide, overnight travel.

Examples of Work

1. Acts as a liaison for department benefits between participants/members, employees, plans administrators, boards of trustees, and providers.
2. Develops and coordinates programs and materials for presentation of benefits for new employee orientation and enrollment sessions, pre-retirement seminars, statewide insurance meetings, training sessions, and other informational meetings; analyzes program content and updates as needed.
3. Provides employee benefit advisory assistance to supervisors and employees statewide; counsels employees on benefit options.
4. Assists in monitoring and researching new laws, regulations, and changes pertaining to benefits; recommends improvements or required changes to benefits to comply with laws and to assist the department in maintaining a contemporary benefits package.

5. Evaluates and develops internal policies, procedures, manuals, handbooks, forms, and creation of reports.
6. Performs other responsibilities as required or assigned.

The Missouri Department of Transportation promotes an equal opportunity workplace that includes reasonable accommodation of otherwise disabled applicants and employees. Please see your manager should you have any questions about this policy or these job duties.
