

Missouri Department of Transportation Job Description

Job Title: Intermediate Project Reviewer

Title Code: R05035

Salary Grade: 8

Exemption Status: Non-Exempt

Supervisory Responsibilities: None

District/Division: Central Office – Design

Effective Date: 04-01-2026

Replaces (Effective Date): 07-01-2022

General Summary

The intermediate project reviewer creates bidding documents and reviews complex plans, specifications, and estimates to ensure quality plans and bidding documents for construction projects. Responsibilities are performed under moderate supervision.

Minimum/Required Qualifications

- Bachelor's degree in engineering from an ABET-accredited college or university curriculum.
- Two years of experience in highway or transportation engineering.

Special Working Conditions/Job Characteristics

- Job requires occasional, statewide or out-of-state, overnight travel.
- A postsecondary degree is the best measure to ensure candidates possess required knowledge in applied physics and mathematics, drafting, engineering processes and procedures, project management, industry ethical standards, and analyzing and modeling data.

Examples of Work

1. Reviews complex plans, specifications, and estimates for completeness, accuracy, and compliance with current design criteria and constructability issues; verifies right of way has been acquired along with necessary permits and utility relocation.
2. Communicates with the district on errors, omissions, and recommendations for plans and job special provisions submitted by the district; communicates with the district on the implementation of any new department design standards or revisions that were not incorporated in their latest job submittals.

3. Assists in the bid opening process by reviewing contractor bids and final contracts for completeness and accuracy.
4. Creates requests for bids and assembles plans and bidding documents; coordinates and prepares addenda to the bidding documents.
5. Attends and participates in pre-bid conferences with contractors, district personnel, and consultants as a resource for bidding and contract services.
6. Performs other responsibilities as required or assigned.
