

Gasconade County
Route A
Bridge Replacement over Third Creek
Online Public Meeting
October 23, 2019

Frequently Asked Questions

What is the purpose of the online meeting?

The purpose of the online meeting is to provide information on plans to replace the bridge over Third Creek on Missouri Route A in Gasconade County, approximately 2.4 miles south of Route D.

Why is this work necessary?

The existing bridge over Third Creek was built in 1954 and is sixty-five years old. The condition of the bridge has reached a point where a bridge replacement is necessary.

How will traffic be affected?

During construction Route A will be closed at the bridge location for up to three months. Signs will alert motorists of the closed road and the detour route will be signed. Drivers are asked to seek alternate routes around the construction.

When will the work take place?

This project along with the Route D bridge replacement project over Mistaken Creek in Osage County are scheduled to be awarded together in the spring of 2020, with construction taking place in 2020. The bridges will not be closed at the same time.

Will additional right of way be needed to construct this project?

Additional Right of Way and a Permanent Easement will be required for the construction of the bridge.

What will the project cost?

The total construction cost is approximately \$952,000.

How can I learn more?
