**Project Purpose:**
Replace the existing bridge on Route 86.

**Estimated Cost:**
$66.5 million

**Anticipated Project Schedule:**

**July 2020:**
Online public meeting to present preliminary plans

**September 2020:**
Completion of plans identifying areas needed for new right of way

**October 2020 - July 2021:**
Secure land needed for project

**October 2020 - September 2021:**
Prepare bridge and roadway design plans and obtain project permits

**December 2021:**
Receive bids for project construction

**September 2022:**
Begin construction

**September 30, 2025:**
Construction complete

**Traffic Impacts:**
Construction of the replacement bridge, south of the existing structure, will allow traffic to continue to use Route 86. Route 86 will be closed for short periods to connect the new bridge with the existing roadway.
