

Services Provided by the Commission

1. The Consultant shall be responsible for completing all roadway design work for this project, except for the following items to be provided by the Commission:

- A. All necessary environmental and cultural resource studies.
- B. "As-built" plans for prior State highway improvements within the project limits.
- C. Project beginning and ending log mile points, and other log mile reference points (as deemed necessary by MoDOT's project manager).
- D. Electronic copies of all necessary special sheets and standard format sheets will be provided in DGN format. MoDOT standard plans, Missouri Standard Specifications for Highway Construction, standardized job special provisions, and Engineering Policy Guide (EPG) are available at <http://www.modot.org/business>.
- E. Standardized traffic control plans.
- F. Seeding and fertilizing application rates.
- G. Contract completion date.

2. The Consultant shall proceed with final design and preparation of detailed plans in accordance with the data approved or furnished by the Commission which will meet with the general standards adopted by AASHTO and approved by the Department of Transportation as provided by Title 23, United States Code, Section 109(b).
