

# CHILD PASSENGER SAFETY TECHNICIAN COURSES

## UPCOMING TRAINING COURSES

**FEBRUARY 6-9**

*Perryville Fire Department*

**MARCH 18-21**

*Three Rivers College, Poplar Bluff*

To register,  
please visit:

[cert.safekids.org](http://cert.safekids.org)

Attendees must be at least 18 years old at the time the course starts. The standardized child passenger safety technician (CPST) certification course is usually 3-4 days long and combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup. Attendance is required for the entire course.
