

MoDOT 2023 St. Charles County Construction Projects

1. I-70 from Fairgrounds to Cave Springs- Interchange and outer road improvements. Work began summer 2022 and ends summer 2024.

2. I-70 Wentzville Parkway to Route Z- Interstate widening, curve improvements and railroad bridge replacement. Work tentatively set to begin fall 2023 and ends fall 2025.

3. I-70 at Bryan Road- Full closure of the Bryan Road bridge over I-70. The I-70 ramps will remain open. Through traffic for Bryan Road will be detoured to I-70 to U-turn at Lake St. Louis Blvd. or Route K. Lanes will also be closed on I-70 during off-peak times for repainting the Bryan Road bridge.

I-70 at Route K, Belleau Creek (east of T.R. Hughes Blvd.), Dardenne Creek & Spencer Creek (east of Spencer Road)- Bridge Rehabilitations. At least three I-70 lanes each direction remain open during the bridge rehab. Lanes will be shifted and narrowed. Project to begin in spring 2023 and ends fall 2024.

Route 79 at I-70 & over East Terra Lane & NSRR - Rehab bridges. One southbound lane will remain open on the bridge. Northbound traffic on Salt Lick Road wishing to proceed north on Route 79 will be detoured to eastbound I-70 to U-turn at Mid Rivers Mall Drive. Lanes will also be closed on I-70 during off-peak times for repainting the Route 79 bridge. Project to begin in spring 2023 and ends fall 2024.

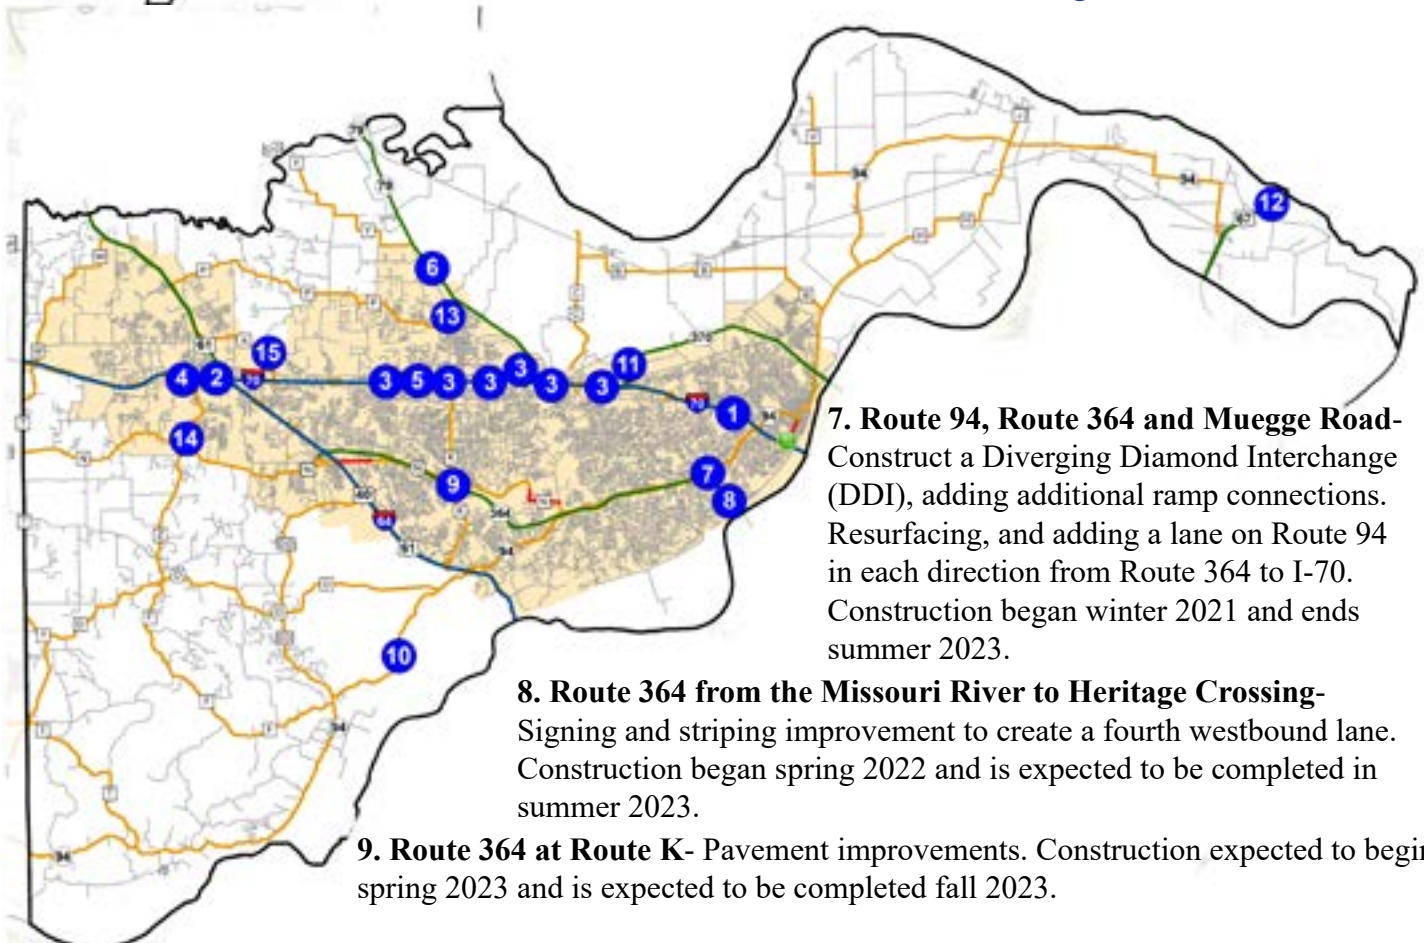

4. I-70 Wentzville Parkway Interchange Improvements Phase 1 (City of Wentzville project)- Reconstruct I-70 eastbound ramps and add a roundabout at Veterans Memorial Parkway, west of Wentzville Parkway. Construction began fall 2022 and is expected to be completed in 2023.

5. I-70/Route K Interchange Phase 2 (City of O’Fallon project)- Improvements to ramps on west side of interchange. Outer road improvements between Woodlawn Avenue and Route K. Construction begins spring 2022 and ends summer 2023.

6. Route 79 Improvements- Conversion of Route 79 and T.R. Hughes Boulevard into a Green “T” intersection and resurfacing from Dyer Road to T.R. Hughes Blvd. Construction to begin in spring 2023 and is expected to be completed summer 2024.

MoDOT 2023 St. Charles County Construction Projects

7. Route 94, Route 364 and Muegge Road- Construct a Diverging Diamond Interchange (DDI), adding additional ramp connections. Resurfacing, and adding a lane on Route 94 in each direction from Route 364 to I-70. Construction began winter 2021 and ends summer 2023.

8. Route 364 from the Missouri River to Heritage Crossing- Signing and striping improvement to create a fourth westbound lane. Construction began spring 2022 and is expected to be completed in summer 2023.

9. Route 364 at Route K- Pavement improvements. Construction expected to begin spring 2023 and is expected to be completed fall 2023.

10. Route 94 from Warren County line to Route I-64- Pavement improvements. Construction began fall 2022 and ends fall 2023.

11. Route 370 at Salt River Road (City of St. Peters project)- Add new ramp from eastbound Salt River Road to westbound Route 370. Construction began fall 2022 and is expected to be completed in 2023.

12. Southbound Route 67 Elevation Project- Elevation of the southbound Route 67 lanes from one mile south of the Clark bridge. Construction began summer 2021 and ends fall 2023.

13. Route M- Resurfacing from Route P to Route 79. Work expected to begin spring 2023 and is expected to be completed fall 2023.

14. Route N at Route Z Intersection improvements (St. Charles County project)- Realign Route Z and adds a signal at Route N intersection. Work begins spring 2023 and is expected to be completed in 2024.

15. Route A from Route 61 to I-70 (St. Charles County Highways project)- Resurface, signal improvements and add lighting. Construction began spring 2022 and ends summer 2023.
