

# Schedule: KC MoDOT Crash Truck & Trailer

## DID THEY SURVIVE?

MoDOT’s **Crash Truck and Trailer** “drives” home the message of: **WEAR YOUR SEAT BELT.**

**SEAT BELTS SAVE LIVES – this is true:** The **Crash Truck** sends a powerful visual message about the advantage of clicking your seat belt. *Every Time! Every Trip!*

- Schedule a two-week tour (MoDOT will deliver and pick-up). We will provide a fun “Seat Belt Fact Sheet” with safety snippets that students can incorporate into daily announcements, newsletters, social media posts, and more. (A blended approach will help enforce the “seatbelt safe driving message while truck is at your location.)
- Contact: Debra Huwar, KC MoDOT representative for the Missouri Coalition for Roadway Safety (MCRS) advancing Missouri’s **SHOW-ME ZERO** plan. Focus: *Occupant Protection*”, “*Speed and Aggressive Driving*”, “*Distracted Driving*”, and “*Impaired Driving*”, “*Teen Drivers*”, “*Older Drivers*”.

**SEAT BELTS SAVE LIVES – it is undisputable (and it is the law).**

**Sadly, in 2024, Missouri had 955 fatalities and 63% WERE NOT WEARING SEAT BELTS!!!**
