## **UCR Billing**

Review this screen and if correct, enter submit. Once this has been done, you will be required to go to the "Payment" tab to pay your bill. Once you enter the payment tab, click on the "blue" id number for the UCR item. You will then be able to select the method of payment, select "Preview", "E-Mail" or "Fax" for the delivery option of your paid receipt that will print for you. Do not select "Print" as this will only print in MoDOT-MCS Offices. Once you have paid your fees, your process is complete.
