How long is an apportioned plate good?

Missouri's apportioned plates must be renewed every year.

A license plate's renewal date depends on when the plate was issued. The registration period is listed on the cab card. There are four:

January 1 – December 31
April 1 – March 31
July 1 – June 30
October 1 – September 30

When do I need papers from the Secretary of State Office?

Before applying for plates under a corporation name or business name, the same name must be registered with the Missouri Secretary of State Office at www.sos.mo.gov

What is acceptable as proof of ownership (title)?

We can accept a copy of the validated title receipt (DOR-108) that proves an application for title was made at the Department of Motor Vehicles or a license fee office. We can also accept a copy of the issued title.

MoDOT Motor Carrier Services will not accept a title that is signed over on the back.

When do I need to supply a copy of a lease agreement?

Any time the name on the title differs from the name of the registrant who is applying for license plate(s), a lease agreement that identifies the unit(s) involved by year, make, and vehicle identification number (VIN) must be submitted. It must bear both parties' signatures and the start and ending dates of the lease agreement term.

When do I need a paid Heavy Highway Vehicle Use Tax Receipt (IRS-Form 2290)?

Any time you license or renew the license of a power unit with a weight of 55,000 lbs. or more.

What is considered a “current year” county personal property tax receipt and/or tax waiver for Missouri?

A current year tax receipt is usually one year prior to the current license year. (e.g. the 2014 license year requires a 2013 personal property tax receipt or tax waiver)

Whose Missouri county personal property tax receipt is required?

Generally, the required tax receipt is in the name of the registrant/applicant who is applies for or renews license plates. However, in some cases when the unit is leased and the owner is a Missouri resident, the tax receipt will be under the owner’s name and a copy of the owner’s Missouri county personal property tax receipt must be submitted.

What forms of payment are acceptable for an apportioned plate?

Personal or company check, e-check, cashier’s check, debit card, credit card, money order, and bank-to bank transfers are accepted. The companies that process e-check and debit and credit card transactions charge a processing fee.

How do I receive my plate(s) and cab card(s)?

After all requirements have been satisfied, including payment for the registration, all plates and cab cards will be shipped through a commercial delivery service.

If you apply for registration in person and you have met all requirements, you may pick up your plate(s) and cab card(s) as you leave the office.

How and when do I renew my plate(s) and cab card(s)?

Missouri has permanent plates, so a new cab card is generally all that is issued during the annual renewal.

Carriers receive a renewal postcard in the mail every year. It is a reminder to renew license plate registration. MoDOT encourages carriers to use [MoDOT Carrier Express](http://www.modot.org/mce) (www.modot.org/mce), available 24/7 to file a renewal application.

Application (including supporting documents) and payment deadlines differ by two months. Penalties apply to carriers who file and/or pay for renewal after the deadline passes. Save time and money by renewing and paying on time.

Refer to the IRP tab on the MoDOT.org/mcs under User Guides for filing – Online Instructions. Look for links to the appropriate topic. When you wish to delete a vehicle, the apportioned plate must be returned to our office. If surrendering at 60,001 lbs. or more, MoDOT refunds any remaining Missouri quarters of registration. When returning an apportioned plate to our office for any reason, please include a cover sheet with the account number and the reason you are sending the plate. There are many reasons why plates are sent to our office, so without clear direction we will call you.
