Always wear one of these when riding your bike.

This is the safest place to cross a street.

Doing this distracting behavior while driving is very dangerous. Other distractions can include talking too loudly or having the radio turned up too loud.

You should use one of these, with a safety belt, until you are at least 4 feet 9 inches.

This is the first thing you should do when getting into any vehicle. This also keeps you safe in case of a car crash.
