There are 10 time slots available per each one-hour session. During your hour session, you will be able to take turns with the other DBE firms and meet one-on-one with the two shortlisted teams.

The shortlisted teams are:

Mid MO ADA Partners Team (Bartlett & West; Sam Gaines Construction, Inc.; Concrete Solutions, LLC; Apex, Inc.; JD Bishop Construction, Inc.; Civil Design, Inc.)

&

Lehman Construction, Wilson & Company, and HG Consult Team

This is a \$23.1 Million project and is to complete the ADA Transition plan in the Central and Northwest Districts of Missouri and bring remaining locations into ADA compliance. The DBE goal is 12% Design & 10% Construction.
