

STIP Update

**Amy Binkley, Transportation Planning Division
Statewide Planning Partner Meeting
Missouri Department of Transportation
February 10, 2021**

What is the STIP?

- Statewide Transportation Improvement Program
- How does it work?
 - Maintaining our current system is a top priority – Asset Management
 - Each area of the state has numerous assets to maintain with limited resources
 - Balancing act – address needs within budget
 - GOALS = Asset Management
- Develop STIP

STIP Process

- Schedule
- STIP Targets
 - Update estimates/Add new
- Funding categories
- Fiscal constraint & approvals
- Coordination with MPO's on TIP
