1.888.ASK MODOT (275.6636)

January 12, 2022

Dear Consultant:

The Missouri Highways and Transportation Commission is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than four pages. This letter should include a statement to indicate your firm's understanding of the project. It should also include any other information which might help us in the selection process, including key personnel you would assign to the project and the backgrounds of those individuals, and any sub-consultants you would propose to use, and an indication of your firm's approach to promoting and developing a diverse workforce. MoDOT is committed to reflecting the diversity of the communities we serve and we expect our partners to do the same. We will utilize the consultant information already on file so we will not need a lengthy submittal of other general company information. In addition, please attach one page with detailed information on similar projects that your key personnel have worked on. Indicate the role your key personnel played in the projects and include reference contact information.

DBE firms must be certified by the Missouri Department of Transportation in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any projects they feel can be managed by their firm. We also encourage both DBE firms and non-DBE firms to consider joining MoDOT's Mentor/Protégé program whenever possible as part of a MoDOT project.

MoDOT will evaluate firms based on: Project Understanding & Innovation, Past Performance, Qualifications of Personnel Assigned, General Experience of Firm, Familiarity/Capability, Accessibility of Firm & Staff. Firm's not providing a response on approach to workforce diversity will be considered non-responsive to this solicitation. Firm's that are not current on all of the required prequalification categories found in MoDOT's Approved Consultant Prequalification List at the date of the solicitation expiration will be considered non-responsive.

We request all letters be received by 3:00 pm, January 26, 2022 at the appropriate office.

Sincerely,

DocuSigned by:

## Bridge Inspection Services

### Statewide on MoDOT or Locally Owned Structures

<b>Job No:</b>	Assigned, as needed, whenever there is a need for work.
<b>Location:</b>	Statewide
<b>Proposed Improvement:</b>	NA
<b>Length:</b>	NA
<b>Approximate Construction Cost:</b>	NA
<b>DBE Goal (if applicable)</b>	0%
<b>Consultant Services Required:</b>	<p>Performance of bridge inspections on structures in Missouri that are either locally owned or MoDOT owned. The primary focus of the contract is for fracture critical inspections on locally owned structures. Other inspection types could include Special Inspections and Routine Inspections.</p> <p>Consultant will be required to provide the professional, technical, and other personnel necessary to perform the assigned inspections for various structures. This includes having someone on site that meets the NBIS requirements for a Team Leader on bridge inspections. Also, the consultant will provide the equipment, material, or other things necessary for the performance of these inspections. When structures cross railroads, the consultant will be required to obtain the appropriate insurances and access permits required by the railroad, as part of the inspection process. All inspections shall be completed in accordance with NBIS and MoDOT requirements.</p> <p>Three or more consultants will be selected to enter into on call hourly rate master agreements to provide these services as needed over a three year period. Memorandums of Understanding (MOU's) will be used each year to assign any work that is needed. Selection of a consultant does not guarantee that the consultant will get inspection work in each year of the contract.</p>
<b>Other Comments:</b>	<p>Interviews or presentations will not be required for the consultant selection.</p> <p>It is currently anticipated that consultant selection will be completed by February 15, 2022. Contract negotiations will begin after consultant selection. Work under these new contract agreements will not begin prior to April 1, 2022.</p>

**Rating Criteria w/Weighted Values**

Project Understanding & Innovation	25 Points Max
