Office: (573)-882-1176
Cell: (573)-999-1965

The mission of ThinkFirst Missouri is to prevent traffic-related traumatic injuries through the education of individuals, community leaders and the creators of public policy. The programs of ThinkFirst educate people, especially high-risk young people, about their vulnerability to traffic-related traumatic injuries and provide strategies to prevent such injuries from happening.

Keeping your employees safe and keeping your workmens compensation claims down are what drives MEM to be a safety partner.

First Impact: Deana Dothage
Contact: dothaged@health.missouri.edu
(573)-884-3463

The goal of First Impact is to reduce the number of motor vehicle fatalities, injuries and crashes among teen drivers by increasing parental awareness and enforcement of Missouri's Graduated Driver License (GDL) law.

TYREDD: Kerrie Warne
Contact: kerrie.warne@gmail.com

TyREDD, (Tyler Raising Education for Drowsy Driving), is an organization that was founded in 2011 after the Warne family lost their oldest Son, Tyler, in a drowsy driving crash. TyREDD's mission is to prevent other families from having to suffer the loss of a loved one's life due to drowsy driving by providing an engaging presentation combining the Warne's family story of loss with the science behind the benefits of sleep.

Traction: Rachel Penny
Contact: rpenny@cityofcapegirardeau.org

TRACTION is a youth traffic safety leadership training program for high school students designed to empower youth to take an active role in promoting safe driving habits.
