

NOTICE OF PUBLICATION
INTENT TO UTILIZE A SINGLE FEASIBLE SOURCE PROCUREMENT PROCESS

The Jefferson County Port Authority hereby notifies the public of its intent to utilize a Single Feasible Source Procurement process to purchase a Sennebogen 855 Material Handler from the G.W. Van Keppel Company. This decision is based on the determination that the Sennebogen 855 is the only currently available equipment which meets the technical needs of the Port Authority and is in accordance with MoDOT Regulations 7 CSR 10-11.020(5)(A)1 and 7CSR10-11.020(5)(B)1E.

The Sennebogen 855 Material Handler is critical to the Port Authority's operations, and after thorough review, it has been concluded that the G.W. Van Keppel Company is the sole provider capable of fulfilling the requirements for this equipment in accordance with the Port Authority's operational needs.

The public is invited to submit any comments or concerns regarding this procurement process. Written comments must be submitted by January 28, 2025, and may be directed to:

Jefferson County Port Authority
114 Mississippi Ave
Crystal City, MO 63019
