

# CHILD PASSENGER SAFETY TECHNICIAN COURSES

## UPCOMING TRAINING COURSES

**OCTOBER 22-24**

*Jackson Fire Department*

- *The required check up event will be at the Cape Girardeau Fire Dept. #1 on Oct. 25*

**DECEMBER 3-6**

*West Plains Fire Department*

To register,  
please visit:  
[cert.safekids.org](http://cert.safekids.org)

Attendees must be at least 18 years old at the time the course starts. The standardized child passenger safety technician (CPST) certification course is usually 3-4 days long and combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup. Attendance is required for the entire course.
