

# CHILD PASSENGER SAFETY: BEYOND A CITATION

## CAR SEAT BASICS FOR LAW ENFORCEMENT

After this 60-90 min. course, you'll be able to:

- Take an active role in assessing car seat use, according to evidence-based best practices
- Talk to caregivers about child passenger safety
- Share child passenger safety local and national resources with caregivers – all within the context of their regular duties

is a free training  
for law  
enforcement  
officers who are  
not Child  
Passenger  
Safety  
Technicians.
