Subject: Statewide Transportation Improvement Program (STIP)

Dear Director Hassinger:

As requested in your letter dated July 1, 2026, the Federal Transit Administration (FTA) and the Federal Highway Administration (FHWA) have jointly reviewed the Missouri Department of Transportation (MoDOT) FY 2027-2031 Statewide Transportation Improvement Program (STIP), which was approved by the Missouri Highway and Transportation Commission (MHTC) on July 1, 2026.

The MoDOT's FY 2027-2031 STIP incorporates Metropolitan Planning Organization (MPO) Transportation Improvement Plans (TIPs) and includes the MHTC's certification that the statewide transportation planning process is being carried out in accordance with the requirements of 23 CFR 450.218 and 23 CFR 450.220. Based on federal review of the proposed STIP and all supporting documentation as well as analysis of statewide transportation planning practices, we hereby find that the FY 2027-2031 STIP substantially meets the requirements of 23 U.S.C. 135, 49 U.S.C. 5304, and 23 CFR 450 Subpart B. Therefore, the FY 2027-2031 STIP and self-certification are approved.

If you have any questions or need additional information, please contact Cecelie Cochran of FHWA MO at (573) 638-2609 or Gerri Doyle of FTA Region VII at (816) 859-7222.

Sincerely,
