Missouri law, 292.675 RSMO, requires the awarded contractor and its subcontractor(s) to provide a ten-hour occupational safety and health administration (OSHA) construction safety program (or a similar program approved by the Missouri department of labor and industrial relations as a qualified substitute) for their on-site employees (laborers, workmen, drivers, equipment operators, and craftsmen) who have not previously completed such a program and are directly engaged in actual construction of the improvement (or working at a nearby or adjacent facility used for construction of the improvement). The awarded contractor and its subcontractor(s) shall require all such employees to complete this ten-hour program, pursuant to 292.675 RSMO, unless they hold documentation on their prior completion of said program. Penalties for non-compliance include contractor forfeiture in the amount of \$2,500.00, plus \$100 per contractor and subcontractor employee for each calendar day, or a portion of a day, that any non-compliant employee worked at the site beyond the elapsed time period for required program completion under 292.675 RSMO.

No 2nd tier subcontracting will be allowed. All bidders shall be on MoDOT's Qualified Contractors List.

The BIDDER shall comply with the Disadvantaged Business Enterprise (DBE) Contract Provisions. The goal for the **Donelly-LaMear Trailhead and Hiking/Biking Trail** is **7.00%**.

The City of Park Hills, MO hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

If a contract award is made, it will be made to the lowest, responsive, responsible bidder. The City of Park Hills reserves the right to reject any or all bids. This is a prevailing wage project. State and Federal wage rates will be used for this project, the higher of the two for each job classification should be used.
