PROJECT DETAILS

Why is MoDOT planning changes?

The sidewalk attached to the bridge had been closed for some time and needs to be removed.

How will traffic be impacted?

Route E bridge is expected to remain open for the entirety, aside from possible single-lane short-term closures.

What is the cost of the project?

The anticipated total construction and engineering cost for this project is \$266,000. This is subject to change.

When is MoDOT planning to make the improvements?

At this time, the project is expected to be part of MoDOT's March 2025 letting when contractors may submit competitive bids.

Construction is anticipated to start in the summer of 2025; however, the exact schedule has not yet been determined.

As with all projects that are in the planning stage, these dates are subject to change.

Public Meeting

MoDOT is hosting an in-person public meeting at Rolla City Hall on October 24, 2024 from 4:30-6 p.m. The address is 901 E. Elm St, Rolla, Mo, 65401.
