Arcadia Valley Project Graduation is an all-night, substance-free celebration for the students of the senior class. Immediately following graduation commencement, seniors will be swept off by a bus provided by the school district for their last collective adventure as a group. This event offers a variety of entertainment along with activities and games. In addition, food will be served, and prizes will be available for each attending student to win. As always, adult volunteers will chaperone the students to ensure a fun and safe evening.

**Clearly state your goal and action plan that will address drivers' safety issues in your school**

The High School Principal is reaching out to MSHP to assist with a presentation on driver safety. We may be holding this as an all-school assembly or just for the seniors after graduation practice, not sure yet.
