Submitted values are:

**School Information**

Charleston High School  
606 S. Thorn  
Charleston, Missouri. 63834  
573-683-3761

**Who is hosting the event?**

High School

**Date of event**

2025-05-09

**Please specify which type of event your school is having**

Project Graduation

**Please confirm that a lock-in event is occurring after your Graduation/Prom.**

Yes

**Location of event**

Charleston High School

**Estimated number of students at event**

50

**Does your school have the required roadway safety activity/presentation planned yet?**

Yes

**Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?**

Yes

**What activities will occur at the event?**

Our SRO plans on showing a video on traffic accidents, and driver safety during our Project graduation. That way we will have all the seniors in one place at one time.

**Clearly state your goal and action plan that will address drivers' safety issues in your school**

Our goal is to put focus on one of the easiest tools to help limit people getting injured and deaths in automobile accidents. Using a seatbelt is the single most important part in vehicle

safety that anyone in a car should use. The vido will show how important seatbelts are!
