Yes

Location of event

Elks Lodge Poplar Bluff

Estimated number of students at event

40

Does your school have the required roadway safety activity/presentation planned yet?

Yes

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

Students will play games, eat lots of food, get prizes, and enjoy a safe night off the roadways and with each other. We hope to rent different activities like bungee jumping, putt golf, and others if possible.

Clearly state your goal and action plan that will address drivers' safety issues in your school

We have participated in several drivers' safety activities over the years. We have won 3rd place in the "Buckle Up, Phone Down" challenge. We invite speakers every year to come in and talk about the importance of driver safety. We have

experienced mock crashes throughout the years with the help of our STAND club. As a district and school we love our students and keeping them safe is a priority. We are planning to use the driving glasses as an activity and game during project graduation night. It was something they did last year and students really enjoyed it.
