From Ashley: Donna secured the SRO to do a defensive driving and proper seat belt usage presentation to the seniors. The only issue is that she secured this for February 25 and told me this on 2/14. I responded immediately and said for our grant requirements, the presentation needs to be done the night of the event or the week of. I am waiting to hear back from her on this. Will follow up with her on 2/20 if I have not heard anything by then.
