Karaoke  
Hypnotist  
Prize Drawings

Movie

**Clearly state your goal and action plan that will address drivers' safety issues in your school**

Our goal is to provide a safe, chemical-free environment in which our kids can celebrate their high school graduation in a controlled, chaperoned manner. We believe project graduation is our best effort in reducing the number of chemical related injuries and deaths to our greatest investment in the future, our children. During this event, we will incorporate the Buckle Up/Phone Down information by distributing information regarding these life saving habits and ask the students to challenge their loved ones to do the same.
