School Information

Mansfield High School
415 W Ohio St
Mansfield, Missouri. 65704-9300
417-924-3289

Who is hosting the event?

Parent Committee

Date of event

2025-05-09

Please specify which type of event your school is having

Project Graduation

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Mansfield High School

Estimated number of students at event

50

Does your school have the required roadway safety activity/presentation planned yet?

In Progress

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

No

What activities will occur at the event?

We are looking into having several things to entertain the students! We are going to borrow the trike and drunk goggles, bubble soccer, inflatables, possibly a menchanical bull, hypnotist and we will have a Sno Biz trailer come.

Clearly state your goal and action plan that will address drivers' safety issues in your school

We would like to provide a safe and entertaining time for the students after graduation. We

want to hold this event at school so that no student has to travel in the evening hours to find something to do. I think this will give them a safe, clean option to have one last night of fun with their fellow classmates and make lasting memories.

From Monica: When we did this last year for my oldest it was a huge hit! We had the trike and the kids took turns trying to ride it with the different goggles on. Also, had a friend ride on the back and explained to them that while they think it might be ok to TRY it because they are not that bad, they were able to quickly see that it is nothing to try out. So we just like to do a little presentation and have them try it out just to prove how impaired they actually are while trying to function.
