The highlight of the festivities comes at dawn when we have the large ticket items we give away in a sort of Lottery to the grads who stayed all night.

Last year we held a short form PSA contest the evening of the event. Grads had to perform a short PSA that would address drivers safety concerns. Then we had a panel of judges vote on the winner for a prize. It went over very well and the grads had so much fun putting them together. This year we plan to change it up a bit but have a version of the same activity to address the "SAVE MO LIVES" Initiative.
