Project Prom

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Richland High School

Estimated number of students at event

88

Does your school have the required roadway safety activity/presentation planned yet?

Yes

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

Will host a lock in after project prom where the kids play games to earn tokens. They then use the tokens to buy items at an auction. We have items based on money raised but usually include computers, tvs, dorm room accessories, etc. We also feed them. They are not allowed to leave after prom and doors are guarded at all times.

Clearly state your goal and action plan that will address drivers' safety issues in your school

We always present seat belt safety and anti drinking and driving with the kids.
