School Information

Licking High School
135 College Ave
Licking, Missouri. 65542
4172607355

Who is hosting the event?

High School

Date of event

2025-05-03

Please specify which type of event your school is having

Project Prom

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Rolla MO

Estimated number of students at event

180

Does your school have the required roadway safety activity/presentation planned yet?

Yes

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

No

What activities will occur at the event?

Hello, the activities that we would be doing is having prom at a safe venue for a couple of hours. We will have dinner, dancing and then we will have a lock in for all the students to make memories with their friends.

Clearly state your goal and action plan that will address drivers' safety issues in your school

We will have a lock in for all the students to be able to go to. Where we will have snacks,

bowling, movies, and arcade game. This will be a way to prevent them from driving somewhere to have fun and hopefully prevent any accidents that may happen that night.

From Natasha on 2/17: This is what we will have set up. The Missouri State Highway Patrol will conduct a traffic safety program this April, focusing on seatbelt usage, impaired driving, and distracted driving. The program will be for Juniors and Seniors, utilizing the impaired driving simulator as well as the fatal vision cart. The same program has been given at Licking High school for the previous two years and has always been well received. This is happening the week before Prom. Sorry it took me so long to get back to you.
