

MISSOURI ROUTE 89 BRIDGE REPLACEMENT OVER INDIAN CREEK IN OSAGE COUNTY

PROJECT OVERVIEW

Planned Improvements

Built in 1933, the bridge is in poor condition, showing signs that it has reached the end of its useful life, and is in need of replacement.

Planned improvements include a new structure with:

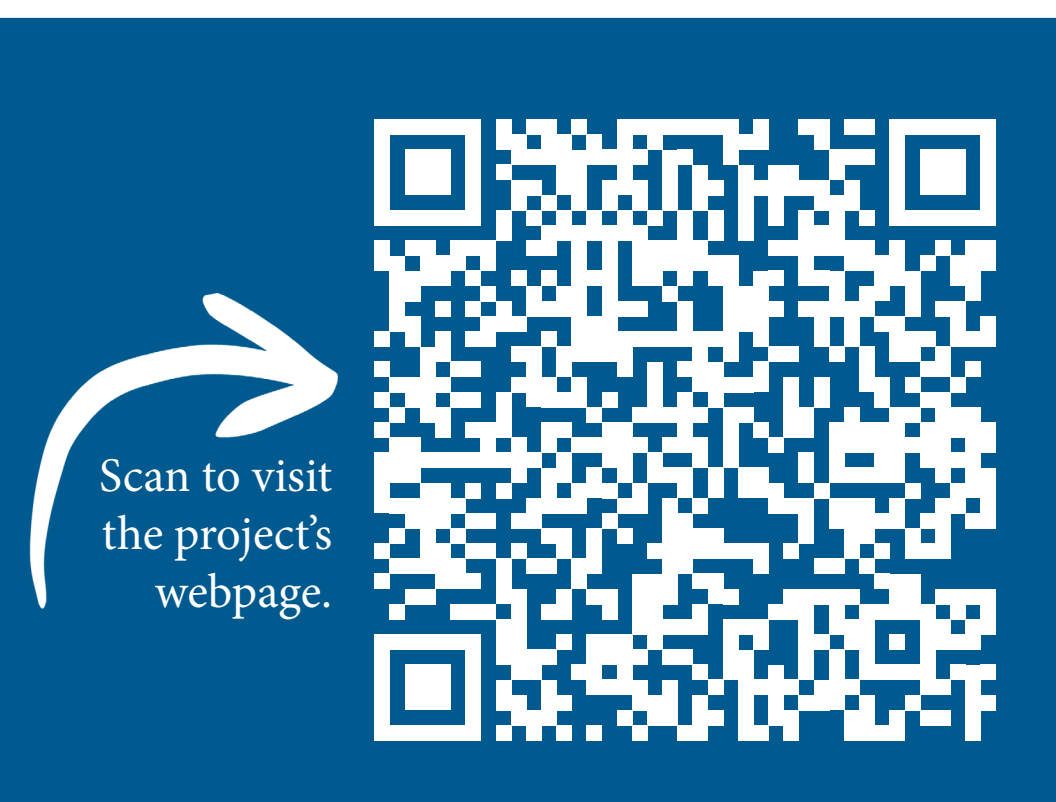

- Wider driving lanes.
- New barriers.
- New guardrail.
- New approach pavement.

Estimated Cost

- \$1.2 including right-of-way, engineering, and construction costs.

Current Project Timeline

- **January 2027:** Contractors may submit competitive bids.
- **February 2027:** The Missouri Highways and Transportation Commission may award contract for work.
- **March 2027** If awarded, the earliest the contractor may begin work.
- **End of 2027:** Anticipated completion of project.
