

## Route 49 Big Creek Bridge

### DESCRIPTION

The Route 49 project includes replacing the bridge over Big Creek, located approximately 1.5 miles south of Annapolis, Mo.

### TIMELINE

The project is expected to be let in May 2018, with construction anticipated as early as summer 2018.

### TRAFFIC IMPACTS

As construction is underway, the roadway will be closed to through traffic in the vicinity of the bridge.
