Re: Rescission of Temporary Waiver for trip and fuel permits and fees under IRP and IFTA under COVID 19 state of emergency

In response to Gov. Mike Parson's Executive Order 20-02 declaring a state of emergency in Missouri due to the public health and safety crisis caused by the COVID 19 pandemic, the Missouri Department of Transportation (MoDOT) temporarily suspended all Missouri International Registration Plan (IRP) and International Fuel Tax Agreement (IFTA) trip and fuel requirements, including fees, for vehicles not currently registered or reported under Chapters 301 (IRP) or 142 (IFTA) of the Revised Statutes of Missouri (RSMo) and traveling through or in Missouri during the declared COVID-19 state of emergency.

MoDOT has reviewed and determined that the initial response and provision of aid to address the state of emergency declared in Emergency Order 20-02 was successful and that the reasons for the temporary suspension of all IRP and IFTA trip and fuel permit requirements, including the fees, no longer exist.

As a result, , MoDOT hereby rescinds the temporary suspension of all IRP and IFTA trip and fuel permits effective as of 11:59 p.m. on this date, June 23, 2020.
