

What to Expect During Construction

Construction will take place in stages. Two lanes of traffic on I-44 will be maintained in each direction throughout construction.

Work includes:

- Pavement improvements along westbound I-44.
- Rebuilding of portions of eastbound I-44 in Rolla (pending funding).
- Replacement of the Route V bridge.
- Improvements at the Route V and Route 68/8 interchanges.

Drivers may encounter temporary changes such as:

- Lane shifts and reduced speeds.
- Changes in traffic patterns throughout the corridor.
- Adjustment to roadway width as work progresses.
- Potential bridge and ramp closures during certain phases of construction.
