

Route 142 Bridge over Little Black River

DETAILS

The project includes replacing the Route 142 bridge over Little Black River, located approximately 1.5 miles north of Naylor, Mo. The new bridge will be wider than the existing structure.

TIMELINE

The project is expected to be let in February 2020, with construction beginning as early as April 2020. As construction is underway, Route 142 will be closed to through traffic in the vicinity of the bridge for approximately three months. Completion is anticipated in fall 2020.
