

WRIGHT COUNTY

ROUTE 95

The project will include widening Route 95 from near the U.S. 60 Interchange to Business 60 through Mountain Grove to include a center turn lane. In addition, access points along the corridor will be moved and Americans with Disabilities Act (ADA) sidewalks will be improved.

TIMELINE

The project is expected to be let in spring 2026, with construction beginning in summer 2026.

TRAFFIC IMPACTS

As work is underway, motorists should expect periodic single lane closures. Completion is anticipated in fall 2027.
