

ROUTE A OVER INDIAN CREEK BRIDGE REPLACEMENT IN WASHINGTON COUNTY

PROJECT OVERVIEW

Planned Improvements

The Route A bridge over Indian Creek in Washington County, east of Sullivan, is slated for replacement in 2026-2027. Planned improvements include:

- New 24 feet wide bridge with two 11-foot lanes and two 1-foot shoulders – wider than the existing bridge.
- New concrete barriers to replace the current railing.
- New guardrail at all four corners.

Current Project Timeline

- **May 2026:** Contractors may submit competitive bids.
- **June 2026:** Missouri Highways and Transportation Commission may award contract for work.
- **August 2026:** If awarded in June, earliest contractor may begin work.
- **Dec. 2027:** Anticipated completion project.

Scan to visit the project's webpage.

Traffic Impacts

Construction will require a full roadway closure.

- The closure is anticipated to last 150 calendar days, subject to change.
- A signed detour will direct motorists to use Washington County Route T and Missouri Route 185.

Estimated Cost

- \$3.5 million including engineering and construction costs. Subject to change.
