

Christian County Route CC Intersection Improvements Project In Ozark

PROJECT FACTS

- Intersection improvements at Route CC and 22nd Street to improve safety and traffic flow
- Widen Route CC to a 4-lane with raised medians from Fremont Road to 22nd Street
- 10-foot wide shared-use path on north side of Route CC, 5-foot wide sidewalk on the south side of Route CC
- Eastbound Route CC bridge rehabilitation over U.S. Route 65, including dual left turn lanes from eastbound Route CC to northbound Route 65

TRAFFIC IMPACTS

- Lane closures and traffic shifts on Route CC from Fremont Road to 22nd Street
 - Fremont to 23rd Street: traffic shifts with possible nighttime lane closures
 - 22nd Street: nighttime lane closures
- Route CC night closures for storm sewer installation at 22nd Street
- Businesses will have access during construction
- Eastbound Route CC bridge
 - Eastbound bridge CLOSED for up to 30 days with signed detours
 - Westbound bridge will remain open
 - Detour: Route J, southbound Route 65, Route 14/Jackson Street, northbound Route 65

CONSTRUCTION

- Eastbound Route CC Bridge Rehabilitation over US Route 65: July 2025
- Route CC & 22nd Street Intersection Improvements: Anticipated November 2025
- Route CC Widening between Fremont and 23rd Street: To be determined
- Estimated Total Cost: \$15.9 million
(Cost share with the City of Ozark and Ozarks Transportation Organization)
