

# INTERSECTION IMPROVEMENTS

## ROUTES K/N IN SCOTT CITY, MO

### ABOUT

The proposed project will improve the intersection of Routes K and N in Scott City, Missouri.

This safety improvement project will realign Route K and County Road 305.

Rebuilding the intersection will improve turning movements and better accommodate commercial vehicles.

### TIMELINE

Tentatively, the project will be let in Dec. 2026. Construction will begin once school is out of session in late spring/summer 2027. Completion of the project is anticipated by Aug. 2027.

### TRAFFIC

Work will be staged to allow the intersection to remain open with short duration closures as the new pavement is tied into the existing pavement.
