

MISSOURI ROUTE Y BRIDGE REPLACEMENT OVER NIANGUA RIVER

In Webster County

PROJECT FACTS

- Provide an improved crossing of Route Y across the Niangua River in Webster County between St. Luke Road and Willow Lane
- The new bridge structure will:
 - Decrease frequency of roadway overtopping events
 - Improve hydraulic conveyance through the new structure
 - Decrease the buildup of debris and drift, reducing future maintenance
- The previous culvert was removed after it sustained damage from flash flood conditions that occurred in early June 2025

TRAFFIC IMPACTS

- Route Y CLOSED to through traffic at Webster County Route W and Route WW
- Local residents will have access to their property on either side of the closure; however will not be able to drive across the Niangua River
- Detour Routes: Webster County Route W and Route M

BRIDGE FACTS

- Bridge built in 1955
- Bridge carried 461 vehicles a day
- Old bridge culvert damaged and removed after flooding

CONSTRUCTION

- Construction Start Date: Spring 2026
- Project Completion Date: Summer 2026
