Route D, from US67 to I-170

St. Louis County

Addendum No. 1

Interested Consultant:

The Consultant Services Required for the above project is being revised to remove possible traffic signal optimization work as well as being re-advertised to meet policy requirements for number of respondents. If a firm responded to the original solicitation, their response does not need to be resubmitted and they will be considered for the project.

Please see revised submittal date for letters of interest.
