Project Title \_\_\_\_\_ N. Oak Trafficway Reconstruction – 42nd to 46th Street

ISSUE DATE: **06/20/2025**

Bidders are hereby notified that the Bidding and Contract Documents for the above project, for which Bids are to be received on **July 8<sup>th</sup>, 2025**, are amended as follows:

Information to Bidders: The following is provided to Bidders for information only:

1. On June 6th MoDOT updated the Supplemental Revisions JSP to reflect changes to MoDOT's prequalification process to bring it into conformance with the Code of State Regulations. To address the changes to the prequalification process, the updated Supplemental Revisions JSP replaces parts of sections 102 and 108 of the Standard Specifications for Highway Construction. The Supplemental Revisions JSP is available for download at the link provided below. This addendum strikes language in conflict with this updated Supplemental Revisions JSP. The Supplemental Revisions JSP released on June 6<sup>th</sup> will prevail.  
**Supplemental Revisions JSP**
