

## Legislatively Designated and Funded Initiatives House Bills 4

This section of the Statewide Transportation Improvement Program contains projects funded by Missouri’s General Assembly during the 2024 legislative session in HB 4 for Multimodal Operations Projects and Programs.

All other modes of transportation (aviation, rail, waterways, freight, and transit) received general revenues to focus on safety, capital improvements and/or operating assistance in these various projects and programs within Multimodal Operations.

The following is a list of those projects and information about their funding.
