

SIKESTON, MISSOURI

Business 60 (Malone Street) and West Street

Project Description: The existing span wire traffic signals will be replaced with modern traffic signals to better align with current design practices. In addition, the project includes widening and constructing islands for right turns and pedestrian traffic. Pedestrian signals and crosswalks will be added.

Impact: Potential lane closures and minor delays

Tentative Letting: December 2027

Construction: Beginning as early as February 2028
